IS THERE REALLY A HEAVEN?

A spiritual debate recently arose in America surrounding the question “Is there really a Heaven?” On one side was the controversial scientist Stephen Hawking who said “Heaven is just a fairy tale for folks who are afraid of the dark.” On the other side was Cory Burko, the little boy who had a near death experience and says he went to heaven. His dad Todd then wrote a book on his behalf entitled “Heaven Is For Real.”

So let’s explore this issue tonight. “Is Heaven real?”

F.Y.I. - There are many scriptures relating to Heaven and Hell. For example, “heaven” is referred to 235 times in the N.T, 186 times in the O.T. for a total of 421 references to Heaven. Hell is mentioned 54 times in the Bible. “Sheol” is mentioned 65 times. “Hades” is mentioned 9 times, and “lake of fire” 5 times, for a total of 133 references to Hell and its derivatives. Because there are so many references on the subject, we will only use scriptures from the Gospel of Matthew for tonight’s study on Heaven.

QUESTIONS:
